A Great Opportunity for Young Entrepreneurs

The Uttar Pradesh Government under Chief Minister Yogi Adityanath offers interest-free loans of up to ₹5 lakh to encourage new entrepreneurs. Amica Smart Learn helps you turn this opportunity into a real, running play school in your city — anywhere in Uttar Pradesh.

Loan eligibility, terms and process are as per the official government scheme guidelines.

What's Included In Your Package

Site Visit & Layout Plan
Our team visits your location, checks suitability and prepares the school layout plan.

Loan Application Support
We apply for the interest-free entrepreneur loan on your behalf and follow it up.

All Registrations & Paperwork
We handle the applications and formalities required to start your school.

Complete Equipment
80+ items across 8 categories — furniture, play, learning, smart tech, safety and more.

Your School Website
A professional website for your play school to attract parents.

Online Listing
Your school listed online so parents in your area can find you.

ERP & Management Software
Fee management, notifications, attendance and complete school operations.

Training for Owner & Teachers
Complete training and ongoing support so you can run the school with confidence.

We Do Everything For You

1 **Choose Your City**
Pick any city or town in Uttar Pradesh. We help you evaluate the location.

2 **Site Visit**
Our team visits your location to check the space, safety, access and suitability for a play school.

3 **Layout & Design Plan**
Based on the visit, we prepare the classroom layout and plan for furniture, play area and equipment.

4 **We Apply for Your Loan**
We prepare the documents, submit the interest-free entrepreneur loan application and follow it up for you.

5 **Registrations & Approvals**
We handle the applications and paperwork required to start your school.

6 **Setup & Installation**
Equipment, smart classroom, decoration and safety items — supplied and installed as per the plan.

7 **Complete Training**
You, your teachers and staff are trained before opening day.

8 **Launch & Growth**
Website, listing and software go live, admissions begin, and we keep supporting you.

Loan sanction and approvals are decided by the concerned government departments and banks as per official scheme rules.

Training & Support We Provide

👩 **Owner & Management Training**
Running the school, admissions, fee collection, staff management and growth planning.

👩‍🏫 **Teacher Training**
Activity-based and Montessori teaching methods, lesson planning and classroom management.

🖥️ **Smart Classroom & Software Training**
Using the interactive panel, learning content, ERP, fee management and notifications.

🛡️ **Child Safety & Hygiene Training**
Safe handling of children, emergencies, first aid and hygiene practices.

📣 **Admissions & Parent Communication**
How to attract enquiries, convert admissions and keep parents engaged.

📞 **Ongoing Helpline & Support**
Continuous guidance and support after your school opens.
